

## INSTRUCTIONS ON HOW TO RETRIEVE YOUR RESULTS ON YOUR PORTAL

In the coming days, our board certified specialists will be interpreting the results of your physical and preparing finalized reports that will be uploaded to your Patient Portal. If any of the results reflect any urgent health risk, you will be contacted by our physician on the phone number you provided at the time of your appointment.

### LOG IN:

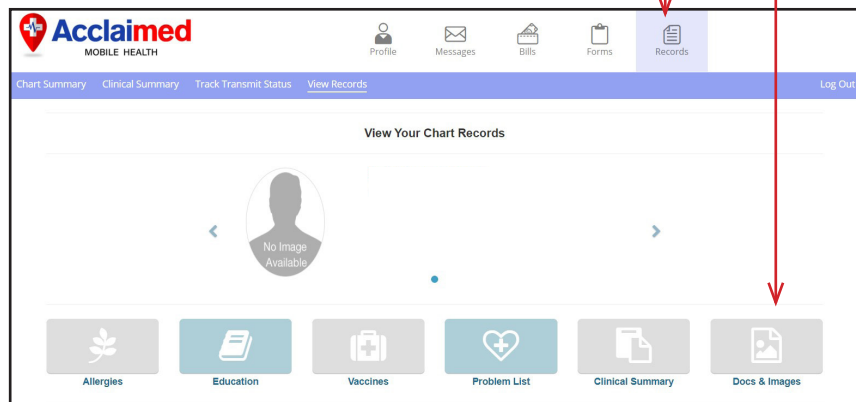

Go to: <https://patientportal.advancedmd.com/150862/account/logon>

If you have already registered, log in with your email address and password you created.

### TO VIEW YOUR RESULTS:

- Go to the top right icon **Records** and click on it.
- A set of icons will appear below, go to **Docs and Images** and click the icon.
- The diagnostic test results will be listed below.
- Open each test to review. You can either print or download the pdf test results.

**IF YOU NEED ASSISTANCE, CALL OUR OFFICE AT 877-203-9615.**
